ENTREPRENEURSHIP – LEARNING GOALS – THE EARLY YEARS

1st-3rd grade

Personal resources

I develop my personal resources when ...

- I am able to work within areas I don't yet know much about

- I believe that I can learn/solve anything if I take the time to do so

- I test my ideas with help from the adults

- I can work on the same task/challenge for a long period of time

- I learn from my mistakes and use them to improve and become better

- I carry on working even though things may be difficult

- I can concentrate and work focused on an assignment/challenge

ENTREPRENEURSHIP – LEARNING GOALS – THE EARLY YEARS

1st-3rd grade

Creativity competence

I develop my creativity competence when ...

- I think in a different way and make use of it in lessons

- I use things in school that I have experienced in other connections

- I make changes to and experiment with my ideas and possible solutions

- I go on to find new and better ideas than the first ones (brainstorm)

- We can examine the pros and cons of different ideas and solutions

- I make use of sensory concepts and imagery in order to create pictures from words e.g. I think so hard that I beat my brains out

ENTREPRENEURSHIP – LEARNING GOALS – THE EARLY YEARS

1st-3rd grade

Action competence

I develop my action competence when ...

- I work on making an idea a reality

- I work together with one or more people

- I can talk about what I have been working on to others at my school or in the local environment

- I can ask for help from people I know

- I can draw or build things and work with simple visualisations and models

- I can set up exhibitions of joint projects

ENTREPRENEURSHIP – LEARNING GOALS – THE EARLY YEARS

1ˢᵗ-3ʳᵈ grade

External competence

I develop my external competence when ...

- I can describe my own culture and way of life in connection with the way we do things in my class or school

- I can apply the concept of money in simple mathematical calculations

- I learn about working life and leisure time

- I look at and talk with others about businesses and institutions in the local environment. Which types exist and what can be improved upon?

ENTREPRENEURSHIP –
LEARNING GOALS –
INTERMEDIATE LEVEL
4th-6th grade

Personal resources

I develop my personal resources when ...

- I challenge myself by jumping in at the deep end

- I am confident in my own opinions even when others disagree

- I am a responsible and active participant in all projects

- I participate and believe that I can do anything if I take the time to do so

- we work together to try out ideas and start new projects

- I can compromise and am able to see several sides of a matter, case or issue

- I don't give up even if I want to

- I learn from my own and others' mistakes and misunderstandings

- I find ways to overcome difficulties

ENTREPRENEURSHIP – LEARNING GOALS – INTERMEDIATE LEVEL
4th-6th grade

Creativity competence
